Huajing Eyewear

Frame Styles Guide

Eight eyewear categories for collection planning

Everyday & fashion

Lifestyle

Easy-to-style silhouettes for everyday eyewear collections and private-label ranges.

Trendy

Fashion-led eyewear with angular profiles, compact shapes and expressive color.

Steampunk

Round frames and visible hardware for collections with a retro-industrial look.

Vintage

Slim ovals and softly rounded silhouettes inspired by earlier eyewear eras.

Sport & safety

Running

Streamlined sport eyewear concepts for running and outdoor training collections.

Cycling

Wraparound and shield silhouettes for cycling eyewear collections.

Safety Eyewear

Clear and wraparound design concepts for safety eyewear sourcing briefs.

Golfing

Understated sport silhouettes for golf and on-course eyewear collections.

For safety eyewear, confirm test documentation for the specific model and intended application.
